SUSTAINABLE INFRASTRUCTURE : BUILDING A FUTURE

25th February – 24th March 2021

CII HiVE – Virtual Platform

3rd Edition

OVERVIEW OF REAL ESTATE SECTOR

Real estate sector in India is expected to reach a market size of **trillion dollar by 2030**.

New housing launches across top seven cities in India are expected to increase **32 per cent year-on-year**

Construction is the **fourth largest sector** in terms of **FDI inflows**.

The Sector will **Contribute 13 per cent** of the **Country's GDP by 2025by 2030**.

Construction industry **ranks 3rd** among the **14 major sectors** in terms of direct, indirect and induced effects

India is expected to be the **most favoured property investment destination** for NRIs

WHY PARTICIPATE

TECHNOLOGY PROVIDER

- Major Real Estate Developers & Facility owners are presented.
- Alignment with other technological solutions providers
- Showcase the latest technology in construction field & early adoption
- Engage with construction industry stakeholders to make development effective & efficient
- Providing the knowledge available for latest technology to enhance the real estate sector
- Opportunities to showcase business proposition

FACILITY OWNERS DEVELOPERS, BUILDERS

- To know about the latest technology in the construction sector which is eco-friendly as well as cost effective
- Providing a platform for developers / real estate players to find the right way to construct a sustainable future
- Finding options for the alternate building material and their availability
- To get the ideas about the time saving construction technologies.

SUPPLIERS & SERVICE PROVIDERS

- Engage with Real Estate Developers & Facility owners
- Alignment with other technological solutions providers
- Showcasing sustainable construction material to the Industry
- Easy and quick adoption based on business case.

OBJECTIVE

Showcase the latest Products, Technologies, Solutions, Machinery & Equipment, Application and Developments in the construction of World Class Building, Construction Technology & Management System

Enhancing operational edge towards creating a better environment and business function by customized solutions to enable lesser gestation time

Create awareness amongst potential consumers about the applications & benefits of the development and Technology available.

Boost knowledge sharing and technology transfer amongst the stakeholders

Work towards the nation agenda on Atma Nirbhar Bharat and Contribute to Indian Economy

UNLIMITED ADVANTAGES

Global Outreach with 1 month Shelf life

Cost Effective business contunity tool during and after COVID 19

Evaluate ROI, Flexibility in Timing and convenience to customers

Excellent Platform for customers to understand the latest products and services available to stay profitable

EVENT FEATURE

30 Days Live Exhibition

Interavtive Seminar's on Various Topic

B2B Meetings with Business Visitors

Live Technology Demnstrations

EXHIBITOR PROFILE

BUILDING & CONSTRUCTION TECHNOLOGIES

- Building Insulation Technology
- Cements and Cementitious Products
- Climate Control Products
- Concrete Bricks, Blocks, Pavers etc.
- Decking Sheets
- Decorative Concrete
- Fiber Cement & Concrete products
- Form Work, Scaffolding & Accessories
- Precast & Pre-Stressed Concrete
- Precast, Prefabricated Structures & Assembly
- Pre-Engineered Buildings
- Roofing, Cladding and Facades
- Stamping Texture Mats & Surface Preparation

CONSTRUCTION CHEMICALS

- Admixtures, Sealants, Coatings and Paints
- Insulation & Waterproofing
- Cleaning Equipment's and Technologies

HVAC, ELECTRICALS & LIGHTING

- Electrical Fittings, Lightings, Cables & Switchgears
- Elevators, Escalators and Moving Walks
- Energy Conservation, Solar & Green Products
- Energy Management Software
- Energy Storage, Batteries, Inverters and Generators
- Heating, Ventilation, and Air Conditioning

FLOORING & ROOFING TECHNOLOGIES

- Alloy Aggregate Wear-Resistant Floor
- Aluminum Roofing Systems
- Asphalt Roofing
- Carborundum Aggregate Wear-Resistant Floor
- Cement-Based Floor Seal Hardening & Polishing
- Green Roofs Technology
- Insulation, Waterproofing and Damp Proofing
- Non-Metallic Aggregate Wear-Resistant Floor
- Paint & Coatings
- Polycarbonate Roofing Sheets
- Roof & Floor Care and Maintenance
- Steel Fiber Concrete Floor
- Surface Curing, Sealing & Hardening Products
- Tiles, Marble & Granite

INTERIORS & FURNISHING TECHNOLOGIES

- Bath & Sanitation Fittings
- Decorative & Industrial Lighting
- Doors, Windows & Facades
- Furniture & Finishing
- Glass and Glazing
- Green Life-Space System
- Hardware, Fixtures and Fittings
- Kitchen Spaces and Products
- Laminates, Plywood, Wood, Timber & Boards
- Plumbing Equipment's & Accessories
- UPVC & PVC Products
- Waterproofing and Damp Proofing Material
- Wall Care Treatments

SMART CITIES & TECHNOLOGIES

- AR / VR & 3D Technologies
- Automation - Residential & Commercial
- Building Management systems
- Electric and Hybrid Transportation systems
- Fire Safety & Security Devices
- IoT & AI based Technologies
- Parking & Traffic Management Solutions
- Smart Home Devices
- Urban Mobility & Smart Infrastructure
- Smart Electrical Solutions (MCB / Isolators / ELCB's)
- Smart Meters & Sensors
- Smart Wires & Cables
- Startup's

WATER & WASTE MANAGEMENT

- Carts & Chippers
- Compost Turners
- Computer Software
- Construction Waste Recycling
- Dust Treatment, Emissions & Stack testing
- Environmental System, Management & Services
- Odor Control
- Plastic Waste Recycling
- Pollution control Technology & Equipment's
- Renewable Energy
- Research & Technology transfer
- Soil Monitoring
- Sorting Systems
- Underground Storage Tank & Systems
- Waste Collection and Transport
- Waste Recycling, Waste to energy
- Wastewater Treatment Systems & Solutions
- Water Purification

*The above list is illustrative

VISIOR PROFILE

- Architects & Town Planners
- Building Contractors
- Construction Industry Professionals
- Consulting Engineers
- Distributors of Building Equipment, Material & Components
- Estate and Facility Managers
- Government Agencies / Building Authorities
- Hospitality Industry Professionals
- Housing Development Corporation's
- HVAC Consultants
- Lighting Consultants
- Mechanical & Electrical Engineers
- Municipal Corporation's and Authorities
- Project Managers & Consultants
- Public Administrators & Safety Departments
- Public Transport Authorities
- Residential & Commercial Owners & buyers
- Smart Cities planner's
- Sourcing & Buying Professionals
- Hospitality & Health facilities
- Structural & Civil Engineers
- Surveyors
- Universities, Technical & Research Institutions
- Urban City Planner's
- Others

BOOTH PACKAGE

Participation Avenues	Standard Booth Package				Premium Booth Package			
	Member (CII)		Non Member		Member (CII)		Non Member	
	INR	US \$	INR	US \$	INR	US \$	INR	US \$
Stall / Booth Deliverables	20,000	265	21,000	280	25,000	335	26,000	345
Company Video to upload (Corporate Video)	1 Corporate Video				1 Corporate Video			
Upload - Product photos + brochures + Videos + Brief Write Up	5 Nos				10 Nos			
Chat option (between buyer / visitors with Exhibitors)	Yes				Yes			
Video Chat / Meeting Option (between buyer / visitors)	Yes				Yes			
Enquiry Submission (Email + SMS)	Yes				Yes			
Feature to add company's social media handles	Yes				Yes			
Feature to add company's Logo + URL	Yes				Yes			
Option to select stall design	Yes (from two options)				Yes (from four options)			
Booth Representative	2 Representatives				4 Representatives			
Duration of the Exhibition	30 Days				30 Days			
Visitor Analysis Download (Individual Exhibitor's Visitor analysis download with contact details)	Yes				Yes			

* Prices indicated are per booth. ** GST 18% Extra. *** For MSME companies, 10% off on booth package pricing

Confederation of Indian Industry

The Confederation of Indian Industry (CII) works to create and sustain an environment conducive to the development of India, partnering industry, Government and civil society, through advisory and consultative processes.

For 125 years, CII has been working on shaping India's development journey and, this year, more than ever before, it will continue to proactively transform Indian industry's engagement in national development.

CII is a non-government, not-for-profit, industry-led and industry-managed organization, with about 9100 members from the private as well as public sectors, including SMEs and MNCs, and an indirect membership of over 300,000 enterprises from 288 national and regional sectoral industry bodies.

CII charts change by working closely with Government on policy issues, interfacing with thought leaders, and enhancing efficiency, competitiveness and business opportunities for industry through a range of specialized services and strategic global linkages. It also provides a platform for consensus-building and networking on key issues.

Extending its agenda beyond business, CII assists industry to identify and execute corporate citizenship programmes. Partnerships with civil society organizations carry forward corporate initiatives for integrated and inclusive development across diverse domains including affirmative action, livelihoods, diversity management, skill development, empowerment of women, and sustainable development, to name a few.

With the Theme for 2020-21 as Building India for a New World: Lives, Livelihood, Growth, CII will work with Government and industry to bring back growth to the economy and mitigate the enormous human cost of the pandemic by protecting jobs and livelihoods.

With 68 offices, including 10 Centres of Excellence, in India, and 8 overseas offices in Australia, Egypt, Germany, Indonesia, Singapore, UAE, UK, and USA, as well as institutional partnerships with 394 counterpart organizations in 133 countries, CII serves as a reference point for Indian industry and the international business community.
